Dear **Jo Girdler**

CAPS Accreditation

Club Name: Crossbow Netball Club

Affiliation No: 841

Congratulations, following the submission of your folder of evidence we can confirm that you are now an accredited **Bronze CAPS club**. We will forward your certificate and incentive in due course.

This prestigious accreditation is only given to clubs who can demonstrate that they are offering a good quality netball provision within their community. Your club's certificate and incentive will follow in due course.

To maintain your accreditation each year clubs are asked to complete an Annual Health Check, which is a very quick and easy way of ensuring your club continues to be supported and that the high standards we have seen are maintained.

Your **1st Annual Health Check** is due on **15th June 2017**.

Once again, many congratulations and we look forward to working with your club further as you provide many people with a great club to play netball in.

Yours sincerely
